

Barrel to Keg Relay

COURSE MARSHAL

Finish Area

Direct runners safely to the finish and vans to parking lots. There will be lots of traffic, some for the relay, some not. Remember that you are volunteers and not traffic officials. You may not order anyone to stop, but a little friendliness goes a long way in getting drivers to cooperate. The sweeper or race director will tell you when the last runner has passed.

Position F/G: Direct runners to keep going down the path.

Position H: Corral teams as they wait to finish with their runner.

Position I: Direct runners to turn left to finish in front of the warehouse. Monitor traffic for safety.

Position J/K: Direct vans to park in the Oregon Coast Aquarium lots.

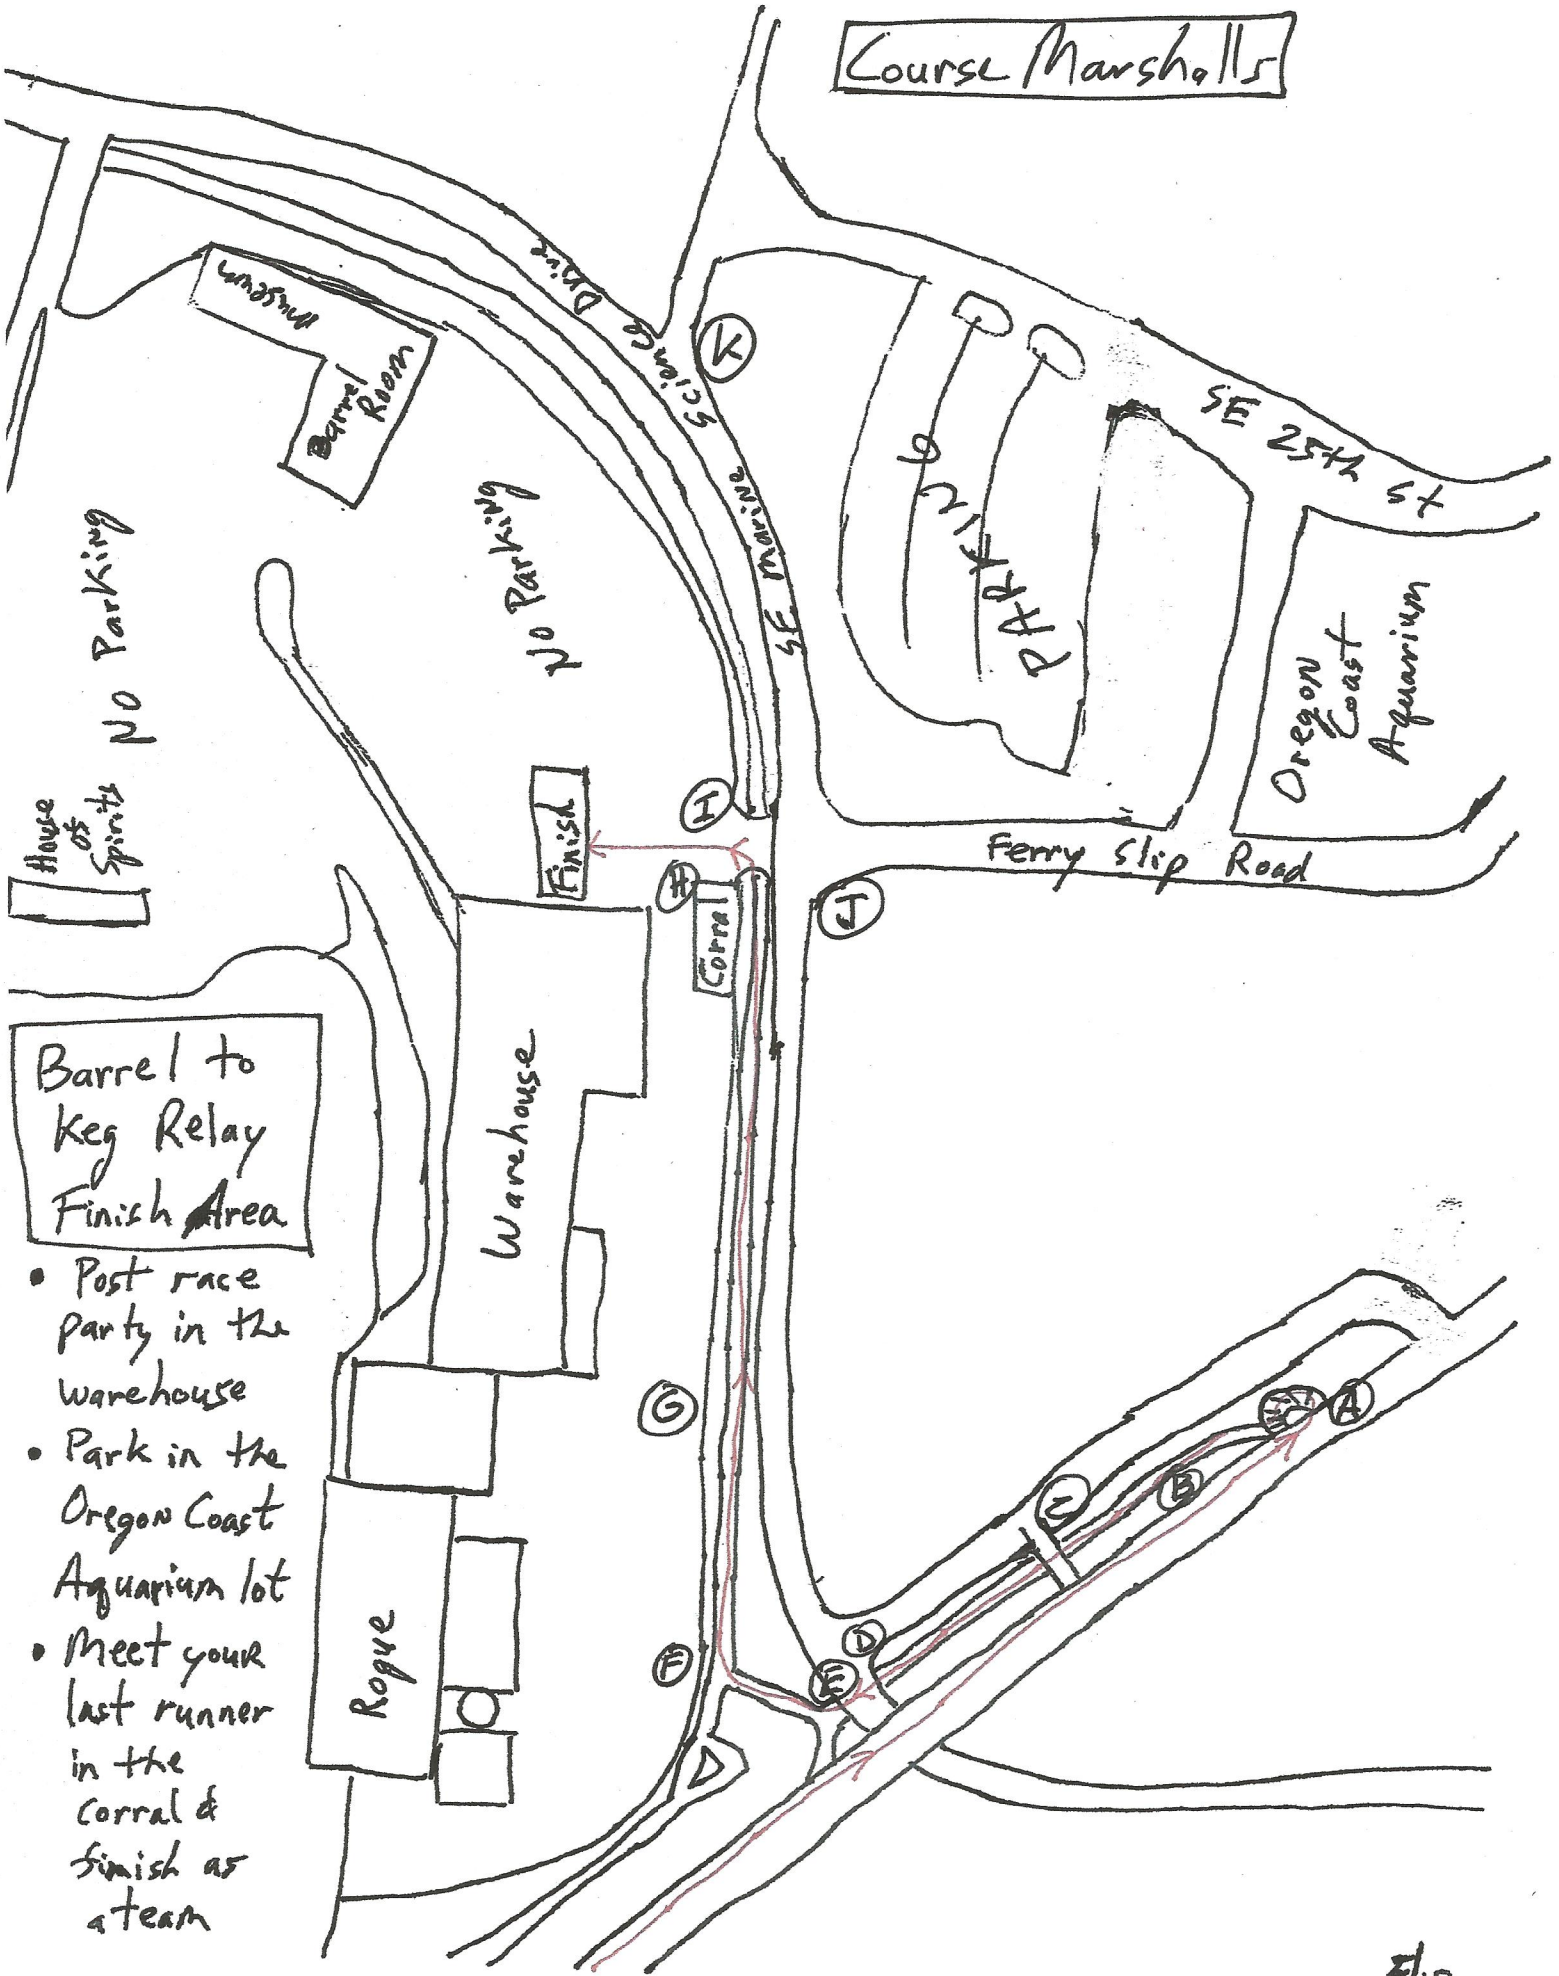

Finisher Awards (3 people): Hand out awards to all finishers.

Finish Line (4 people): Assist Eclectic Edge to record finish results.

Finish Line (1 person): Coordinate with ham radio operator to communicate finishing team bib numbers to the finish line
